

Our prism HR consultancy service provides help to organisations on a wide range of personnel matters.

Whether it's business as usual or you are dealing with change management, our team can provide tailor-made solutions to ensure HR issues are dealt with effectively.

“Jane and her team are excellent. They have reduced the risk that we face when dealing with HR matters and improved our policies and procedures. This in turn has improved our levels of employee engagement and freed up a significant amount of my time to focus on other parts of the business.”

Stuart Grant, GM at Chemtech Consultancy Ltd

“As a busy small enterprise we so value and appreciate the help and support from Jane and her team and would highly recommend this service to any business.”

Joanna Dunbar, MD at UK Health Enterprises

How can we help?

Issues we can help you with include:

- redundancy consultation exercises
- disciplinary and grievance issues
- restructuring and TUPE
