

OUR SERVICES

Personal Injury Claims

We provide clear, quality and trusted advice from the start of a claim to the award outcome and beyond to aftercare

Our Personal Injury team deal with a wide variety of claims including road traffic accidents, slips and trips and injuries at work. With offices in Edinburgh, Glasgow and Dundee our teams work with clients across Scotland.

We are experienced and committed personal injury specialists who strive to build relationships based on trust and mutual understanding.

We have specialist teams dealing with complex personal injury claims, from industrial diseases and medical negligence to life-changing injuries.

Our personal injury lawyers find solutions that maximise claimants' financial security and secure their long-term well-being.

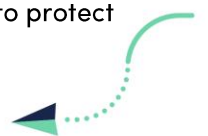

Specific expertise and experience are essential in complex personal injury (PI) claims. Therefore, our lawyers work in specialist teams, covering:

- industrial disease claims
- travel-related and accident abroad claims
- medical and dental negligence claims
- spinal injuries claims.

The teams understand the technical and clinical issues involved in their respective areas, and the specific challenges claimants may face. They are skilled at valuing claims, and appreciate clients' circumstances, fears and frustrations.

End-to-end guidance

We offer support from the start of a claim through to aftercare. And as a full-service law firm, we consider the wider legal context - for example, whether a personal injury trust would be beneficial to protect a lump sum payment.

Personal Injury Claims

It is always our priority to reach the best possible settlement without delay. In most cases, we aim to reach a negotiated settlement out of court. We may also be able to obtain interim payments for rehabilitation or care.

The expertise of our people is complemented by our state-of-the-art case management software. This ensures integration of all the relationships and processes involved in a claim, however complex, and enables us to provide efficient reporting throughout.

No win, no fee

For each claim, we appoint a dedicated case handler. And wherever possible, we deal with claims on a 'No win, no fee' basis.
